REPORT # OCA

December 10, 1986

Dr. David Gries, Director  
Office of Congressional Affairs  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Gries:

I would appreciate an opportunity for a member of our staff, Ms. Marcia Smith of the Science Policy Research Division, to receive a briefing from your staff on the subject of Soviet launch vehicles and space weapons programs. We would like to set up the briefing for December 16, 17 or 19. Please contact Ms. Smith directly (287-7065) to make these arrangements.

Ms. Smith holds a TS/SI/TK clearance. The Library of Congress personnel security officer, Mrs. Cynthia A. Wilkins, can provide any information you might require about her clearances. Her telephone number is 287-5618.

The opportunity for Ms. Smith to visit your agency will provide CRS with additional insights and information that will be useful in our service to Congress. I thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. E. Ross".
